# PACS Project – Masterclass in Miskolc

On **27–28 August 2026**, our school, **Miskolci SZC Kandó Kálmán Informatikai Technikum**, hosted the *Masterclass within Professionals in Action for Crisis Situations (PACS)* Erasmus+ project partners in Miskolc. Representatives from **CSEA (Romania)**, and our school as hosts and participants joined the activities.

## Main topics of the meeting

During the two-day programme:

- the hosts presented their background material, a video about **crisis-management in case of forest fire**,
- the participants took part in **hands-on training in crisis intervention.** Practical application of selected current methods and intervention techniques. (Forest fire)
- afterwards the participants evaluated and analyzed the activities.

## Cultural programme

Besides the practical activities, participants had the chance to discover the beauty of **Eger**. The group visited the **Castle of Eger** and had a pleasant **dinner in the downtown.**

## Conclusions

The meeting was a **great success**, bringing significant progress toward the project's objectives
