

LAYING THE FOUNDATIONS FOR ACTION

Erasmus+ School Project Overview

While the action in the field is still to come, our team has been working hard behind the scenes! In recent months, partners from Romania, Bulgaria, and Hungary have been designing the Integrated Course for Crisis Management. Miskolci SZC Kandó Kálmán Informatikai Technikum is contributing modules on flood preparedness, UAVs in urban crisis response, and **digital resilience**.

Stay tuned – practical training is coming in 2026!
